1. Introduction

1.1 The federation's governing body have full responsibility for the use of school premises during the school day and outside normal school hours. This includes the letting of school premises to outside bodies and the control of all income and expenditure associated with such activities.

1.2 The governing body positively welcomes the contribution that well run voluntary groups which organise community based activities are able to make and encourages such ventures through the use of lettings.

1.3 The federation's governing body, its Central Governing Board, has delegated the approval of this policy to the school's Local Advisory Board (LAB).

2. Aims and objectives

2.1 The letting of the premises shall not detract from the primary objective of the school as an educational establishment. Although providing a vital link with the community and other organisations, the letting shall be organised so that there is no disruption to the delivery of the curriculum and at no cost to the pupils of the school or their education.

2.2 The governing body's policy is to encourage the use of school premises i.e. buildings, playing fields and other grounds such as carparks by pupils, parents, the community and organisations ranging from sports clubs to senior citizens' clubs and local businesses.

2.3 The income received from the letting of the premises will be used to assist the governing body to enhance and enrich the education and working environment of the pupils at the school.

3. Equal opportunities

3.1 The governing body consider the school to be a vital resource for the community. Individuals and groups who wish to make appropriate use of the school's premises are able to do so wherever this is reasonably possible.

3.2 The governing body positively encourages individuals or groups who wish to make reasonable use of the school premises, regardless of their race, gender, disability, sexuality or religion.

3.3 Applications will not be considered from applications for letting from people under 21 years of age.

3.4 The hirer will accept responsibility for being on the premises, being in charge of the premises let and for ensuring that all conditions of the letting agreement are observed, particularly those relating to management and supervision of the premises.

4. Lettings

4.1 Lettings of the premises are made under the terms and conditions of the hire of school premises set out in appendix 1 to this policy.

4.2 A letting is defined as any community or private use by individuals, organisations, corporations or groups, of the school premises, facilities or grounds either during, before or after the school day or at the weekends or in the holidays.

4.3 Activities, sports coaching, training sessions and courses and similar provision whereby the school runs, supervises and provides instruction or training for sessions for individuals or groups who book and pay for such sessions, are outside of the scope of this lettings policy.

4.4 Lettings are always at the discretion of the governing body or the headteacher acting on its behalf. The primary functions and activities of the school will always take precedence over a request for a letting.

4.5 The governing body or the headteacher acting on its behalf, reserves the right to amend, refuse, or refuse to renew a letting whenever this is deemed to be in the best interest of the school. The governing body also reserves the right to charge a deposit against cancellation and a returnable deposit against damage or extra cleaning.

4.6 Long-term lettings will be subject to an annual review of the terms and conditions and updates requested for insurance and DBS documents where applicable.

4.7 All requests for lettings must be made on the approved Lettings Booking Form by the hirer either individually or on behalf of an organisation, corporation or group, who thereby accepts responsibility and enters into an agreement between themselves and the governing body to comply with the terms and conditions of the hire of school premises.

4.8 The governing body reserves the right, for any reason which it or the headteacher acting on its behalf considers reasonable, to withdraw permission to occupy the accommodation on any particular date or dates or for any period. The withdrawal of such permission shall not entitle the hirer to make any claim whatsoever, but any payments made for the period may be refunded at the discretion of the governing body.

4.9 The hirer is not allowed to assign the use of the accommodation to any other party.

4.10 The governing body and the headteacher have the right of entry to the school premises, facilities and grounds at all times.

4.11 The headteacher, who is responsible for the internal management and control of the school, is also responsible for the day-to-day oversight of all lettings on behalf of the governing body.

5. The hirer

5.1 Bookings will only be accepted from adults over the age of 21.

5.2 The person making the booking and signing the form becomes 'the hirer'. The hirer will be required to return all completed copies of paperwork to the school before a booking can be accepted. The booking acceptance will be confirmed by the finance & admin manager.

5.3 The hirer is responsible for the payment of all fees, charges and any additional costs incurred as a result of the letting.

5.4 The hirer is responsible for all those persons covered by the booking whether they are members of a group, club or other organisation.

5.5 If the persons for whom the hirer is responsible includes children or young people the hirer is also responsible for ensuring that any activities for children are supervised by at least two appropriately trained and qualified adults at all times, and at a ratio of at least one appropriately trained and qualified adult to

every fifteen children, except that children under eight years old will be supervised in accordance with the regulations made by the London Borough of Hackney and in accordance with the provisions of the Children's Acts. One of the adults must be qualified in first aid.

5.6 Where sporting and other activities include training and instruction of either adults or children the ratio of coaches and other qualified instructors to those receiving instruction and training will be in accordance with the guidelines set out by the national governing body of the particular sport or activity.

5.7 All adults supervising, teaching, training or working with children, or with vulnerable adults, must have had a satisfactory enhanced DBS check. Evidence of this must be provided at the time of booking to the headteacher prior to the start of any letting.

5.8 The hirer will be required to have appropriate safeguarding policies in place, including safeguarding and child protection, and shall provide copies of these policies on request to the school.

5.9 Should any safeguarding concerns present themselves during the hire of the school premises, the hirer shall contact the Headteacher or the Finance & Admin Manager as soon as reasonably practicable.

5.10 The hirer understands that if our school receives an allegation relating to an incident where an individual or organisation is using our school premises for running an activity for children, we will follow our usual safeguarding procedures and inform our local authority designated officer (LADO).

5.11 Original certificates of the qualifications of the responsible adults, where appropriate to the hire and activities to be undertaken, must be available for inspection by the headteacher prior to the start of any hiring.

5.12 The hirer is responsible for ensuring the good conduct of the group using the premises, and for ensuring that other users of the premises are not disrupted.

5.13 All staff of the organisation shall comply with any instructions given by the headteacher, the school premises manager or any member of staff of the school acting on the behalf of the headteacher.

6. Conditions for the letting of school premises

6.1 The governing body has adopted the conditions for the letting of school premises, which are set out in appendix 1.

6.2 The policy and the conditions for the letting of school premises will be sent to all enquirers and be posted on the school's website.

6.3 Long-term lettings will be subject to an annual review of the terms and conditions and updates requested for insurance and DBS documents where applicable.

7. Guidelines on charging

7.1 The policy is to set charges to bring additional income to the school taking account of best value, including elements such as insurance cover, heating and lighting, cleaning, staff overtime, fair wear and tear and any items subject to VAT.

7.2 Details of the charges are set out in appendix 3.

7.3 Decisions to waive or reduce lettings fees are delegated to the school's finance & admin manager.

7.4 The LAB will review the school's charges and reserves the right to change the charges at any time.

7.5 The governing body will give a minimum of 30-days' notice of any increase in charges for letting.

8. Administration of the conditions

8.1 While full responsibility for all lettings is with the governing body, the day to day management and administration is undertaken by the headteacher and/or finance & admin manager.

8.2 The governing body reserves the right to withhold permission to let any part of the school (although the right to make this decision may be delegated to the headteacher and/or the finance & admin manager). In the case of a dispute, the governing body's decision is final.

8.3 The governing body reserves the right to refuse to let the premises to any group or individual for purposes that are inconsistent with the ethos of the school or the federation.

8.4 All applications will be considered on their merits, taking into consideration the suitability of the activity. The governing body reserves the right to:

- Refuse applications without giving a reason;
- Have a representative present at any function;
- Terminate any activity not properly conducted.

8.5 Letting fees are reviewed regularly by the LAB. When the letting has been confirmed, payment must be made to the school, prior to the use of the premises. In the case of a regular booking, payment will be required at the end of each term.

8.6 The lettings booking form must be completed in full and should be completed and submitted to the finance & administration officer at the school at least eight weeks in advance of the date of the letting.

8.7 The finance & administration officer will confirm whether or not the date and facilities required are available and if so inform the hirer of the cost of the letting and the amount of any deposit required for securing the letting.

8.8 The finance & administration officer will also inform the hirer of the need for any additional documentation to support the letting, such as evidence of insurance or qualifications or DBS certificates in respect of the hirer or other persons.

8.9 The letting will be formally confirmed when the original Lettings Booking Form is signed by the headteacher and/or finance & administration officer and a copy of the form signed by both parties accepting the formal agreement for the hire is returned to the hirer.

8.10 The deposit for the letting is required at least four weeks in advance of the date of the letting and payment in full received two weeks prior to letting. If any additional charges are incurred these will be invoiced separately.

8.11 If the letting includes additional special provisions or facilities these will be set out in a separate letter to the hirer and be attached to the Lettings Booking Form.
