St John and St James CoE Primary School Home Learning Overview – Year 3 – Summer 1	y blue Hulling
Reading:Please read 5x a week at home and fill in your reading record with the following details: date, title of book, author, pages read and a short summary of what you read.Reading Records are checked by an adult daily.	Spelling: These are the spellings that you will learn each week in preparation for a spelling test the following week. Please practise these words for 10
As soon as a child has finished a book, they complete an Accelerated Reader Comprehension quiz about it in school and then change their book.	minutes each evening, using the Spelling Shed website to help you. Week 1
Help your child with their comprehension of the text by asking comprehension questions outlined below: Prediction:	mission, session, collision, poisonous, joyous, tremendous, profession,
1. What is the title of this text? Who is the author? Have you read any books by this author before?	adventurous, strange, surprise Week 2 division, decision, television,
<ol> <li>Based on the cover, what do you predict this book will be about?</li> <li>What do you predict will happen next in the text? Why?</li> </ol>	dangerous, nervous, enormous, admission, ridiculous, woman, women Week 3
Retrieval: <ol> <li>Who is What is Where is How isWhen did?</li> <li>Vocabulary:         <ol> <li>What do the words suggest about this character/setting?</li> <li>What does mean?</li> </ol> </li> </ol>	invasion, pension, extension, mountainous, various, jealous, explosion, numerous, January, February
<ol> <li>What does mean?</li> <li>Which word tells you that?</li> <li>Find one word in the text, which means</li> <li>Find a word of phrase that suggests</li> </ol>	Week 4 confusion, permission, discussion, famous, disastrous, fabulous, occasion, ravenous, March, April
<ol> <li>Inference:</li> <li>How do you think this character is feeling? How do you know?</li> <li>What word would you use to describe this character? Why?</li> </ol>	Week 5 act, action, relate, relation, anchor, chef, attraction, chemist, May, June
<ol> <li>Find and copy a group of words, which show that</li> <li>What impression of (a character) do you get from this paragraph?</li> <li>Summarise:         <ol> <li>Can you summarise what you have read so far?</li> </ol> </li> </ol>	Week 6 invent, invention, pollute, pollution, school, machine, construction, cholera, July, August
2. What happened after? What happened before?  Humanities and Science:	Maths:
Ask your child the questions below each week of this half term to reflect on their learning. The knowledge organisers to support with this half term's topics in Humanities and Science can be found on Google Classroom and the school website.	Practise your times tables daily using the Timestables Rockstars App.
Week 1 Humanities: What is an aerial view map? What is a compass and how does it help us when using a map? Science: What does a plant need to grow and remain healthy?	Each week, you will receive a series of questions on the Mathletics app based on last week's maths learning.
Week 2 Humanities: What is the difference between human and physical geography? Science: What is the function of a flowering plant? Week 3 Humanities: What is a key on a man and why is it helpful?	If your child gets a question wrong, they will be provided with an explanation for how to correct their mistake and an opportunity to practise again.
<ul> <li>Humanities: What is a key on a map and why is it helpful?</li> <li>Science: True or false? Plants only need sunlight to keep them warm.</li> <li>Week 4</li> <li>Humanities: What is a rainforest?</li> <li>Science: What is the difference between a flowering and non-flowering plant?</li> <li>Week 5</li> <li>Humanities: Where is the Amazon rainforest?</li> <li>Science: Do all flowering plants grow in the same way?</li> <li>Week 6</li> <li>Humanities: What is the climate like in the Amazon rainforest?</li> <li>Science: How is water transported in a flower?</li> </ul>	There is also an option to complete a worksheet to consolidate the previous week's maths learning. This will be uploaded each week to Google Classroom, as well as the answers, so you can self-mark the work. If your child needs a recap of the strategies used in class, there is also a video tutorial provided on Google Classroom.
