Year 3 History What was life like in Stone Age Britain?

Future learning

In Key Stage Two, you will continue learning about ancient civilisations and empires.

In Year 3, you will learn about The Ancient Egyptians, who lived in Egypt from approximately 7500 BC. In Year 5, you will learn about The Ancient Romans and The Ancient Greeks, who were both ancient empires formed after The Stone Age.

In this topic you will:

- Learn about the changes that took place in The Stone Age a period of time, which covers over 3 million years.
- Learn about how some of the earliest humans lived and survived.
- Reflect on the way humans, who lived over 3 million years ago, have influenced modern society.

and the residence of	
A Timeline of this Period in History
